

CITY OF LODI

COUNCIL COMMUNICATION

AGENDA TITLE: Purchase of Police Patrol Motorcycle (\$8,203.46), and Standardize Future Source of Supply

MEETING DATE: September 6, 1995

SUBMITTED BY: Police Chief

RECOMMENDED ACTION: That the City Council authorize the purchase of one 1995 Kawasaki KZ-1000 P-13 Police Motorcycle in the amount of \$8,203.46 from Kawasaki of Modesto, the nearest Kawasaki dealer experienced in police motorcycle assembly and service. It is further recommended that the City Council authorize, for future approved or budgeted purchases, that the bid process be dispensed with and purchases be negotiated with the nearest Kawasaki dealer with experience in police motorcycle assembly and service.

BACKGROUND INFORMATION: On June 27, 1990, the City Council established the Kawasaki KZ-1000P as the standard police motorcycle for the Lodi Police Department, and authorized the Department to negotiate all purchases with B & T Kawasaki of Sacramento. As the supplier of many of the California Highway Patrol's motorcycles, B & T Kawasaki was able to offer the City of Lodi CHP pricing for our patrol motorcycles.

Last month, B & T Kawasaki went out of business. To assist customers, the owner recommended two area dealers as alternate sources of supply, Lee Miller of Roseville, and Kawasaki of Modesto. While Lee Miller has experience with service of the Sacramento north area CHP bikes, Kawasaki of Modesto has experience in both assembly and service, and is about 10 minutes closer to Lodi.

The Police Department has an immediate need to replace a failing motorcycle, and therefore recommends that the purchase and the method of purchase outlined above be approved.

RESOLUTION NO. 95-107

A RESOLUTION OF THE LODI CITY COUNCIL
AUTHORIZING THE PURCHASE OF ONE POLICE PATROL MOTORCYCLE
AND STANDARDIZATION OF PURCHASES THROUGH THE NEAREST
KAWASAKI DEALER WITH EXPERIENCE IN ASSEMBLY AND SERVICE

WHEREAS, Lodi Municipal Code, Section 3.20.070, authorizes dispensing with bids for purchases of supplies, services or equipment when it is in the best interests of the City to do so; and

WHEREAS, on June 27, 1990, the City Council established the Kawasaki KZ-1000P as the standard police motorcycle for the Lodi Police Department, and authorized the Police Department to negotiate all future purchases with B & T Kawasaki of Sacramento, California.

WHEREAS, in August 1995 B & T Kawasaki went out of business, and the owner has recommended two area dealers as alternate sources of supply, Lee Miller of Roseville, and Kawasaki of Modesto.

Whereas, it is staff recommendation that the City utilize Kawasaki of Modesto because it has experience in both assembly and service and is approximately ten minutes closer to Lodi than Lee Miller of Roseville who offers only service.
